

Let Music Fill the Air

Do you enjoy music? Join the Crusader Choir! Rehearsals will be on Friday afternoons from 2:00-3:15 in the smart board room starting on September 9th. Every student that is interested in chorus may become a member. You do not have to have an incredible voice to get involved; the desire to participate is all that is required. Mrs. Cabral is also looking for musicians—keyboard, guitar, drums, etc.—to add to the choir.

Music Lessons

Dear Parents and Guardians,

This school year I intend to continue music instruction here at T.C.M.S. I will conduct the instruction during the school day in Room B-4 for 30 minutes each. This would include students who wish to take lessons and/or those who wish to continue with an instrument. I will only be able to give lessons for the following instruments: brass, keyboard, violin, voice, and woodwinds. The consequence of having instruction during the time stated above is that students will have to miss time from a major subject. This will not happen without the approval of the parent/guardian and the teacher of the affected class the student will miss once a week for lessons.

Students who do not already have an instrument must obtain one on their own. We will not have a company come into T.C.M.S. for sales or rentals. Parents will have to take care of that prior to scheduled lessons.

I am very limited on the amount of students that I can take for lessons and if your child adheres to the following steps in a timely manner I will do my best to schedule a lesson.

1. Parent/guardian must sign below.
2. Students must return this form to Mrs. Cabral (it may be left in my mailbox in the office).
3. I will meet with the student to look over our schedules.
4. Once we compare schedules, I will discuss lesson times with major subject teacher and get permission for the student to be taken out of class.

Should a student have two unexcused absences when a lesson is scheduled, he or she forfeits that time and another musician on my waiting list will have an opportunity to take that time slot.

If you have any questions, please send me an email (jcabral@catholicmiddle.com). I am truly looking forward to working with your young musician.

Sincerely,
Mrs. Cabral
